

# Pop 'em all

Our heroes Aary, Fizzi, Garin, and Skuik find themselves locked in a hidden lab where their wonderful and mysterious adventure is about to begin.

Engage in a dynamic and colorful puzzle game, use special techniques and abilities, like gravity distortion, to clear all bubbles. Help our heroes solve the secrets of the delicious fruit juice and reveal the real purpose of the Big Machine.

Get challenged in an amazing world of over 150 handcrafted levels giving you the chance to extend your smart play with the use of the unique Super Sonic Bubble Powers. Extraordinary laboratory environments, heroes with special super powers, lots of sweet colorful bubbles full of delicious and mysterious fruit juice.

Welcome to Pop 'em all!
